

## **Faith Group Questions**

### *In the Beginning (Part 4): Male and Female*

1. It's extremely easy and very common for people to try to find their ultimate identity in their roles, responsibilities, and relationships. Self-reflect and identify where you have tried to find your identity outside of God (in the past or currently) and describe how it's affected you emotionally and mentally.
2. Read Genesis 1:26-28. What does it mean that God made you in his image and likeness?
3. Read James 3:9-12 and discuss.
4. Because of sin our God-image has been damaged and needs to be restored. That's why God sent Jesus to restore that image in us. Read Colossians 3 and discuss how God is restoring his image in you.
5. Many people struggle with same-sex attraction or gender dysphoria. What does God want those who struggle with these feelings to know? (Search for and discuss Bible passages)

# **Car Conversations**

***Keep the conversation going with your kids using these questions based on the Faith Kids' lesson.***

1. Have you ever been told that you look like someone? How does that make you feel?
2. Why is it sometimes hard to view everyone as they have been created in God's image? How would we treat people if we believed they were made in God's image?
3. Is it ever hard to believe that YOU were made in God's image? Why or why not?

*PRAYER: Creator God, thank you for creating me in your image. Because of this, I know that I am important. Forgive me for not always believing this or treating others as your image bearers. Thank you for Jesus, who sends His Spirit to create in me a new heart, a heart to love you and others.*
