

*This is Thanksgiving Part 1: "See your thank you, Say your thank you"*

1. Read Luke 17:11-19. Like the 10 lepers, have you ever felt or currently feel isolated or separated from those you love? If so, how has it affected your perspective on gratitude and your relationship with God?
2. What do you learn about Jesus from his interaction with the lepers and how does that apply to how he will interact with you?
3. Reread Luke 17:19. What's the difference between the faith that seeks healing from Jesus and the faith that seeks the person of Jesus?
4. Share a time when a difficult circumstance led you to a deeper sense of appreciation or recognition of God's blessings?
5. In our hurry through life, we often neglect the act of giving real thanks. Rather than rushing off to the next thing, spend some time visualizing specific gifts Jesus has given you and thank him by writing out a gratitude list.

1. What is thankfulness? What does it look like?
2. How did the one leper thank Jesus?
3. What did Jesus say made the thankful leper well?
4. Do you think God wants us to ask him for help?
5. Why can we thank Him even when He doesn't give us what we ask?
6. How can you say "thank you" to God every day this week?
