

Screens and Souls Part 2: "The Bad Things"

1. Ask your friends the question about friendship and technology from today's message? If the answer is "yes," figure out a way to avoid the curse of technology on your friendship.
2. A great way to spend your summer is to read your Bible. Explore the YouVersion Bible App's many options for Bible reading plans.
3. Are you aware of your own spiritual gifts? If not, ask a few trusted loved ones what they think comes naturally to you? Consider how their answer affects the way you serve your church and community.
4. Begin to pray for just one person that you might invite to worship with you this summer. Ask our Heavenly Father to open their heart to your invitation during the upcoming weeks.

1. What were some difficult things that Paul faced on his trips?
2. What was the goal of each of Paul's journeys?
3. Do you think Paul's goal was worth all of the difficult things that he had to face? Why?
4. Think about what Paul did when bad things happened to him. What things did he do that you could do the next time that you face a challenge?
